FROM THE KIRKWOOD PARKS & RECREATION DEPARTMENT...

Dear Readers,

Thank you for taking a moment to look over the latest Kirkwood Parks and Recreation activity guide. There are all kinds of activities to keep you occupied during the spring and summer months.

For the youngsters this year we have a huge variety of summer camp programs, starting with the oldest recreational program in Kirkwood, Camp Kirkwood! Other offerings include Camp Broadway, Aqua Camp, Sports Camp and even a very special Teen Adventure Camp (see page 5).

Summertime in Kirkwood of course means swimming so make sure to get your season pass for the Recreation Station Aquatic Center. Don't forget about our Water Aerobics or River Walk programs, two of the coolest ways to exercise in the summer.

Of course spring and summer are always a wonderful time to visit some of Kirkwood's great outdoor park venues. Have you visited Emmenegger Nature Park or the Meramec Highlands Quarry at Dee Koestering Park lately? A visit to Greentree Park or any of the system's 13 parks is sure to be a treat!

In 2012 we plan on making several improvements to the park system. Included is the development of the newest park property on Avery Drive. With some luck construction on Avery Park will begin the summer of 2012. Other anticipated projects include the rebuilding of the Walker Lake path, a new tennis center building, and resurfacing of the community center parking lot. For more details on construction check out the construction page for the Parks and Recreation Department on the City's website, www.kirkwoodmo.org.

Finally, thanks to all the residents of Kirkwood and our many visitors who visit and support us throughout the year. We appreciate it!
