The inspection is an occupancy inspection made for the purpose of determining the premises is in compliance with the City's property maintenance code for re-occupancy. The scope of the inspection is limited to observations readily visible without moving or removing any item causing visual obstruction. Neither this inspection nor the inspection report constitutes a guarantee or warranty expressed or implied regarding the present or future condition or use of these premises. The inspection does not replace the purchaser's/occupant's own obligation to be satisfied with the premises and to undertake private inspections. The City shall not be held liable for any deficiencies or defects on the premises. It is recommended that purchasers have a private inspection to address the specific interests and to render an opinion on the condition of the premises. In accordance with Missouri Law, the inspection report will become public record and will be provided to the public upon request.
