### PHONE SCAM

Earlier this month, a Kirkwood resident was the victim of a phone scam. The resident reported being contacted by a subject over the phone claiming to be her grandson in Canada. The grandson asked for money to be wired to him so he could be released from jail. The money was sent and only later did the victim learn the relative had not been to Canada. The money was not returnable. Please remind your older friends and family members never to wire money to another location and if they are asked to wire money, they should not send the money until they verify the identity of the caller.
