

NET METERING CUSTOMER NOTICE

Is Solar Energy in Your Future?

Are you thinking of installing a solar or other renewable energy system at your home or place of business to generate electricity? Here is what you need to know:

- Kirkwood Electric has an approved interconnection and net metering program available for your use, including a simple interconnection and Net Metering Application / Agreement.
- For more information, or a sample agreement, please contact Mark Petty, Kirkwood Electric Director, at:
 - 314-822-5847
 - PettyMA@kirkwoodmo.org
