f) June 4<sup>th</sup> Jason and Murry are meeting with Glendale to discuss financial matters regarding the pool

i) Elmer: make sure to bring up usage numbers for Glendale at the meeting

g) 4 of 7 front desk staff returning for the season

**4) Old Business**

a) Pool Management Services

i) LG staffing numbers look good

b) Financial Report 2011

i) Will talk to Glendale and Oakland

(1) Joe, please talk to Glendale about hot pool water and why it gets hot

c) Capital Project Update

i) New Funbrellas are coming

ii) Kiddie pool suction line is repaired and cement being poured

- iii) Spent little over \$40,000 for improvements so far, which includes various other repairs in addition to the kiddie pool line
- iv) Joe, the mister may be a good idea, Jason, trying to find a reasonable cost, place to store and cost of maintaining and running a machine. New water fountain may have water bottle filler option if possible
- v) Natalie, possible location for mister would be near lazy river entrance as the concrete gets hot near there.
- vi) Joe, perhaps we should prepare more responses to the Webster-Kirkwood Times letters

**5) New Business**

- a) Facility Walk-Through
  - i) Looks good!
- b) Policies and Procedures Manual
  - i) Only need to update pricing
  - ii) Joe, be sure to add no radio policy

**6) Committee Comments**

- a) Joe – Do we have an inclement weather plan? Jason, yes, essentially we clear to the locker rooms
- b) Jordan – Have a great season!
- c) Elmer – We should look into getting an ozone measurer like the one the YMCA has
- d) Carol – Excited for opening
- e) Natalie – None.

**7) Next Meeting:** July 9, 2012, 6:45 p.m., Kirkwood Outdoor Pool

Jason - meeting adjourned
