COMMITTEE REPORTS:

Kid's Day:

They are looking into getting an inflatable bull from 62 Sports, a reputable carnival supplier. Curt said as long as the company has the normal liability coverage it should be ok. They are also looking into having "Whip Guy" perform with his whip/lasso.

Car Show:

100 spots should be sufficient. May tweak the entrance/exit logistics.

Arts & Crafts:

81 spaces have been reserved.

Fire Department:

Leo Meyer reported that the "side by side" burn is questionable and other ideas will be presented at the next meeting.

Fund Raising:

Zisser Tire has recommitted as a sponsor for this year and Aberdeen will sponsor the parade. They are working on a connection at Purina, and PNC Bank may be a possibility.

Aberdeen Heights would like to have an information booth – just like Manor Grove. Discussion was tabled until the next meeting when Joe and Murray are back.

Dance:

The Dance/Party in the Park will be held in the Lions Pavilion.

MISCELLANEOUS:

Curt Curran reported that The Fabulous Motown Revue has been booked for Friday night. He also reported that there will be some changes in the 2014 festival regarding booth configurations since the tennis shack is being taken down, etc. but there should be no necessary changes this year.

NEXT MEETING: March 27, 2013
