REVIEW OF JULY COMMITTEE REPORTS

Correction to July minutes; Kirk Hutchison is in charge of the WINE garden not the WIND garden.

INFO BOOTH STAFFING:

Passing around sheet for sign up.

PALAROO UPLOAD Has been done by Murray's staff.

PAY REQUESTS FOR VENDORS: All Pay requests have been sent,

Mary and Carol with Arts & Crafts are talking about taking pictures of all the vendors. Mary was going to pay her daughter \$20 to take a picture of each booth with the number on it and that way if the vendor wishes to move we can look and decide if we want to do that. The Burkhalts are going to do that for free.

LOGISTICS REQUESTS:

Kurt wanted to talk to the people at Kid's Day. Murray stated there will be a meeting for Kid's Day this week. Cindy Coombs wanted to know if we needed her pop up tent for the info booth again. Kathy Barthelmass stated that the boys have loaded 700 cones which she hopes will all come back. Murray stated he needed a meeting with the Barthelmass crew and police. Lloyd said the parade was all set. Curt stated that he has everything ordered that needs to be ordered from what info he has been given and from past years. If there are any changes, please let him know. Kurt wants a phone list ASAP.

Murray –Director of P&R- I will send out the phone list September 1st. Doing a meeting with the food vendors next week. Car Show- Mike Hedrick has changed the structure of the show this year. It's more of a display and not a competition. Amigos will hopefully be their food truck. Murray - we are trying to work out a communication system between the info booths. We can put an earpiece or a clip on the mic, which might help. Maybe a cellphone assigned to the booth that will vibrate.
