Kirkwood Arts Commission Partners with STLCC-Meramec to Continue Art at the Station

Art at the Station is on hiatus at the Kirkwood Train Station due to a planned renovation of the Station that is scheduled to begin later this year. Thanks to a generous donation of time and exhibit space, Art at the Station will continue at **St. Louis Community College at Meramec**, starting in September. Exhibits will be hosted at the STLCC-Meramec campus library and will be available to view during normal library hours. Exhibits will run every month except August, with a two-month exhibit in December-January. The Library is located on the south side of campus, directly northwest of the circular entry drive off Big Bend. Sign up for the **Kirkwood Arts Calendar** to be notified of upcoming exhibits, including dates and hours. Send an email to: arts@kirkwoodmo.org.

Call for Artists: The Arts Commission is looking for artists who want to display their work in the new STLCC-Meramec venue. Interested artists should email Frank Lewis at FWL76@hotmail.com or call him at 314-821-3720. **Volunteers Needed:** We need volunteers to serve as judges, subcommittee members, and reception volunteers. Contact Frank to apply. Thank you!

Public Art Policy: The Public Arts Subcommittee of the Arts Commission is putting the finishing touches on its proposed Public Art Policy, which will be presented to City Council sometime this summer. Anyone interested in serving on the Subcommittee in the future, please call 314-822-5894.
