Background To Issue:

The City has recently completed the Safe Routes to School Plan and Southeast Kirkwood Connectivity Study which were activities funded through the City's Safe Streets & Roads for All (SS4A) grant. The grant was provided to conduct these activities as supplement activities to the City's existing Vision Zero Action Plan. As such, the attached resolution adopts these new activities as addendum into Kirkwood's Vision Zero Action Plan. Both of these plans provide more detailed plans on how to implement the City's Vision Zero Action Plan in an effort to reach zero fatalities and serious injuries related to traffic crashes by the year 2042.

The completed documents are attached to this request. A 16 page summary report which provides an overview on all four of the SS4A grant activities is also attached. These four activities include: Safe Routes to School Plan, Southeast Kirkwood Connectivity Plan, City-wide Speed Study, and the Performance Measure Dashboard.

Recommendations and Action Requested:
