

The Kirkwood Arts Commission's **GALLERY PROGRAM** at **KIRKWOOD PERFORMING ARTS CENTER** will present **FOUR SEASONAL EXHIBITIONS in 2026**. Each exhibition comprises works from three artists. The Commission will host opening receptions for each exhibition to celebrate the artists and their work.

There is no fee to submit or exhibit. No commission is taken on any sale.

THE GALLERY SPACES: The four walls ignite the main floor and the mezzanine lobby spaces and are viewable by all building guests. Two of the wall galleries are 50 feet long, two are 25 feet long — ceiling height varies. Three have a simple clean gallery hanging system that uses steel cables. We highly recommend an in-person visit to the KPAC's currently hanging shows to assess how your works would fit within the actual spaces.
